Welcome to Ocean Pines!

Often hailed as Maryland's premier coastal retirement community with a consistent top 10 appearance on the state's list of safest places to live, Ocean Pines enjoys the benefits of beach resort life, without being in the resort. Originally established in 1968 as a planned community, Ocean Pines is nestled on Maryland's Eastern Shore in northern Worcester County, featuring more than nine miles of waterfront property on 3,000 acres of wooded areas. Amenities include a beachfront restaurant in Ocean City, and a public Yacht Club in Ocean Pines. There are also five pools, two marinas, a premier racquet sports complex, and a Robert Trent Jones Sr.-designed championship golf course. Today the community has 8,452 platted lots and is home to 12,000 full-time residents and 8,000 part-time residents and guests.

Besides all of the wonderful residential and visitor amenities, hundreds of businesses and service providers call our region home. From lawyers to plumbers and estheticians to amusement parks, our area has "a guy for that!". The chamber's annual Business Directory is a tremendous resource for local, trusted companies and nonprofits. Whether you are utilizing the directory in hard copy or online, you will find what you seek. Online, this directory is a clickable pdf, leading you directly to business's webpages. Bookmark it! Should you be in need of more information or wish to visit the Ocean Pines Visitor Center, stop by. Centrally located on Racetrack Road, the Ocean Pines Visitors Center has suggestions for fun, educational experiences, nature adventures, and, of course, community service and business recommendations.

Shopping local and shopping small is always something to remember, whether you live here or are just visiting. Patronize the businesses listed in this directory and know that you are supporting our neighbors and community. Your Worcester County Chamber of Commerce in Ocean Pines is dedicated to the safety, smart growth, and well-being of our unique community. Welcome and explore!
